

CASSY

No, wait, so you're gonna like
download a bunch of cool songs and
give them to a girl-

DONOVAN

Yeah, yeah I'm downloading them on
an MP3 and then I'm gonna put her
name on it and then I'm gonna put
like my top 3 on the playlist

CASSY

What if she says ew I like newer
music fuck off

DONOVAN

Um then I'm like oh.. RIP

CASSY

Well like, how much do you like
this girl

DONOVAN

Ummm a lot...

CASSY

I'm getting really dizzy I'm gonna
throw up

(Cassy spinning on chair)

DONOVAN

I dunno the weird thing is like
usually I have to know somebody
really well before I'm like (snaps)
ayyy-

CASSY

What if I throw up

DONOVAN

But like I barely know her

CASSY

I'm getting dizzy

DONOVAN

I'm also kinda, I also wrote her a
song

(CONTINUED)

SAM
Is it a good song?

DONOVAN
Yeah it's called Some Time Ago-

CASSY
I'm gonna throw up

DONOVAN
I got the piano part for it and
then I am also getting some choir
people together to sing it

SAM
Dang

CASSY
If you sing to her in the hall like
what if she has a panic attack and
dies

SAM
...What?

DONOVAN
What??

CASSY
I'm getting really dizzy

DONOVAN
You should probably stop
